KITCHEN

We offer a comprehensive range of highly concentrated cleaning and sanitising formulations to meet the needs of a busy commercial kitchen.

DISHMATIC L WAREWASH DETERGENT		Chlorinated Heavy Duty Warewashing Detergent, with a built in sanitiser and tannin neutraliser. DISHMATIC L is a highly active non-foaming blend of grease cutting and emulsifying agents, designed to process crockery, glassware and cooking utensils through the dishwashing machine.
RINSE AID WAREWASH RINSE AID		Warewash Drying Aid, RINSE AID is a concentrated super wetting agent which will quickly and thoroughly dry glassware, dishes and utensils.
JADET HAND DISHWASHING		An ultra-concentrated all-purpose hand dishwashing detergent, aggressive on grease but gentle on hands. JADET has excellent rinsibility and exceptional hard water tolerance.
DFA 100 DEGREASER	8	Kitchen / Food Processing Cleaner / Degreaser, DFA 100 breaks down fatty grease build-ups fast, and is specially formulated to penetrate and cut through proteins, fats, grease, vegetable oil, blood and soap scum on all hard surfaces.
WIPEOUT SURFACE SANITISER	2	A food grade sanitiser designed to work as a bactericide to kill bacteria from hard surfaces. WIPEOUT is an effective light duty spray and wipe for general food preparation surfaces, and food service areas.
S.O.C OVEN CLEANER	6	S.O.C is a highly alkaline oven and grill cleaner which quickly dissolves heavy grease and food build up on ovens and hot plates. S.O.C de-carbonises, de-crusts and de-fats in one operation.
PINKCHLOR TANNIN REMOVER		PINKCHLOR combines both oxygen and chlorine releasing agents that easily neutralise tannin stains from crockery, glassware and tea and coffee pots leaving them clean and streak free.
SCALE OFF SCALE REMOVER		De-scaling agent, SCALE OFF is highly effective in the removal of lime, scale rust and dulling from ferrous and non-ferrous surfaces.
VEGISAN VEGETABLE SANITISER		A vegetable and salad sanitiser, VEGISAN is ideal for sanitising fresh salad vegetables for use in the food and hospitality industry.
POTSHOT POT WASH		Colourless, non-chlorine based alkaline detergent, POTSHOT is a low foaming detergent recommended for automatic dispensing in pot and pan washing machines.
KLORDEX WAREWASH POWDER		Chlorinated powder, formulated for machine washing of crockery, cutlery and all kitchen utensils. KLORDEX is low foaming and includes a built in rinse aid.
SPARKLE STAINLESS STEEL SOAKER		An alkaline combination of grease emulsifiers, penetrants and corrosion inhibitors. SPARKLE cleans, brightens and removes protein and tannin based staining from stainless steel and silver cutlery.
