SDS available from our website

Suitable for use in food preparation establishments

Fragrance free

Appearance = Light Brown Liquid

Shelf Life = 2 years

Pack Size = 3x5L, 15L

PRODUCT USE

COMBI CLEAN is designed to be used through the automatic cleaning cycle of Combi Ovens.

Follow oven manufacturer's instructions to complete the cleaning cycle. For best results, use in conjunction with COMBI RINSE.

MANUAL CLEANING: Allow the combi oven to cool below 60oC. Apply COMBI CLEAN to all surfaces within the oven. Allow to penetrate for 10 minutes. Steam for 10 minutes and then wash down. Rinse well after use.
