Heavy duty laundry emulsifier containing solvents and surfactants to lift soils.

SDS available from our website

Fragrance = Citrus

Appearance = Light amber liquid

Shelf Life = 2 years

Pack Size = 15L

PRODUCT USE

PRETREATMENT & SPOT CLEANING: Apply LAUNDRY SE to dry clothes. Wait 1 to 2 minutes and then wash as normal.

LAUNDRY WASH CYCLE: Use between 2 – 5mL of LAUNDRY SE per kilo of laundry. Quantities needed will vary depending on soil level, water hardness and water temperature.

LAUNDRY SE can be used through a dedicated dispensing unit to achieve optimal emulsifying in the wash.

Not suitable for use on denim, silk, wool and fabrics with non-colourfast dyes.

ISSUE DATE: NOVEMBER 2018
